

**St. Charles Community
College History Department**

The history department at St. Charles Community College offers a broad selection of course work for students planning to major in the social sciences such as history, political science and geography. Many students begin their baccalaureate studies at SCC, where they earn the Associate of Arts degree in preparation for transfer to a four-year college or university. For more information about courses available through the history department at St. Charles Community College, call 636-922-8398. Faculty members are available for speaking engagements with local community groups.

**St. Charles County
Historical Society**

The St. Charles County Historical Society is dedicated to fostering an understanding and appreciation of all aspects of St. Charles County History by locating, researching, recording, preserving, and publishing historical and genealogical records as well as engendering rightful pride through educational programs that deal with the rich history and genealogy of St. Charles County and the State of Missouri.

April 10, 2010
8:30 a.m. - 4:00 p.m.
Technology Bldg.
Room 101
At St. Charles
Community College

Bob Goode and
Ilene Kanfer Murray
Presenters

This is a computer lab course so we encourage participants to be familiar with Windows.

Basic Internet skills are also desirable.

**SPACE IS LIMITED!
REGISTER EARLY!**

Bob Goode: A retired history teacher, Bob is vice-president, membership, of the St. Louis Genealogical Society. He teaches classes for the society, makes presentations in the St. Louis area on various genealogical topics, and is writing his family history.

Ilene Kanfer Murray: A retired language arts and computer teacher, Ilene is the publications director of the St. Louis Genealogical Society. She teaches genealogy and computer classes, edits the society's monthly newsletter, writes, and lectures. She is the author of a newly-published book, *University City, Missouri: Its People and Events, 1906-1931*.

<input type="checkbox"/> SCC students, faculty, staff	_____	\$25.00

Total: _____

Participants will be on their own for lunch.

Name _____

E-mail _____

Address _____

Phone _____

In these four sessions, participants will have hands-on guidance and practice with their own family histories using a variety of Google applications and search techniques. Note: Participants should bring specific surnames, places, and other genealogical data with them in order to personalize their learning experience.

Session 1: Let the **Google** search engine work for you. Learn a variety of search techniques and then apply them to your own research.

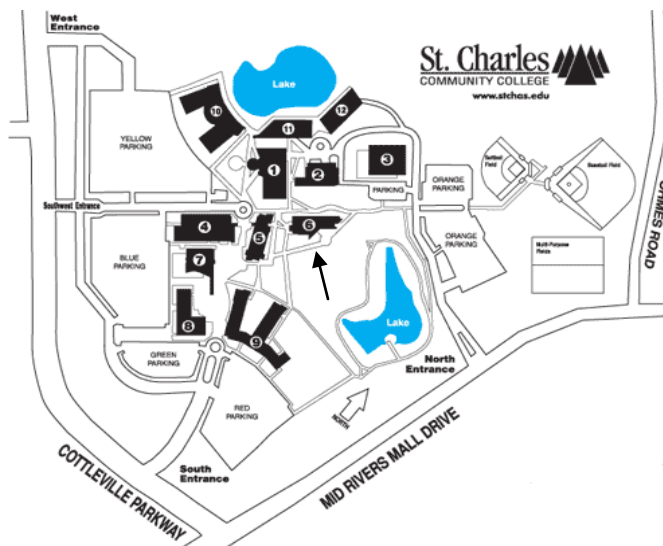

Session 2: Google Maps and Google Earth can be used to locate, identify, and log your ancestors' places of origins.

Session 3: Google Books offers a unique opportunity for the family historian. Learn how to find relevant family information by using this specialized search engine.

Session 4: Go beyond Google's basic and advanced search screens. **Google Alerts, Google Scholar, and Google Images** will be reviewed and then time will be provided for a question and answer wrap-up.

Location

St. Charles Community College is located at 4601 Mid Rivers Mall Drive, just outside St. Peters city limits in Cottleville, MO. Take the north campus entrance off Mid Rivers Mall Drive to the Technology Building, #6 on the map below. No parking permit is needed.
